

Guess what? The ingredients of chocolate products

Lesson Plan “How chocolate is made” Appendix b1

This eLearning Resource has been developed by the [DigiLab Sapienza](#) and [Museo del Cioccolato Antica Norba](#) within the Europeana Food and Drink Project, demonstrating the value and potential of food and drink-related content sourced through Europeana.

The project is funded by the European Commission under the ICT Policy Support Programme part of the Competitiveness and Innovation Framework Programme.

The document forms Appendix B1 of the Lesson Plan "How chocolate is made", available online at <http://foodanddrinkeurope.eu/elearning-resources>

The teacher will need to print and hand out the required number of double-sided work-sheets, containing pages 3 and 4 of this document. Each student will then have only one sheet, to be completed on both sides.

Alternatively, the students can write on a blank sheet of paper: in this case the teacher will need to give specific instructions on how to complete the task.
